

EIU IS RANKED #1 IN ILLINOIS... AGAIN!

First and foremost, we offer an excellent education. Eastern Illinois University continues to be the highest-ranking Illinois school among the Midwest's top public regional universities, according to U.S. News and World Report's annual college ranking.

In addition to the highest quality academic programs we know that cost is an important factor when choosing a college or university. That's why Eastern Illinois University works hard to keep tuition affordable.

The friendly culture of our campus means EIU is home no matter where you're from. International students at EIU experience a welcoming atmosphere in Charleston, one that helps them realize they've found a home. In fact, EIU is home to 800 International Students from 56 countries!
